

Polkton Township Parks meeting

June 18, 2020 the monthly meeting was held at Sheridan Parks pavilion at 7 PM.

Present was LaVern Andrews, Jerry Grimminck, Jon Vogel, Jim Key

Absent was Mikayla Smith

7 pm meeting called to order.

\$100 donation was received and another \$40 promised from a person who would like to remain anonymous.

The meeting was held at the pavilion and park so everyone could see the cement work and signs that were done recently. Handicap cement parking pad for 3 vehicles and with 2 aisles and cement around the larger grill. Also a cement pad for the bike rack. Plus new handicap parking sign. The cement work and last falls parking lot expansion were made possible from a grant from Consumers Energy Foundation.

3 large Cherry trees came down across the path at the north end of the park. Jim Key cut them up with the help of Steve Anderson.

This spring Jim Key spent 10 hours with his tractor working on trail areas and hauling dirt.

Jim Key and his grandson Gage Stasko painted the handicap parking area and insignia, and did backfill work around the cement and seeded the areas.

There has been some misuse of the trash dumpster but the authorities have been informed and taken care of the problem.

Trail trimming is needed Jim Key and Gage have done some but more needs to be done, maybe next week. The new power tools are coming in handy.

Meeting adjourn 9 PM.
